Answer

MINISTER OF HUMAN RESOURCE DEVELOPMENT
(SMT. SMRITI ZUBIN IRANI)

(a) to (d): The Universities are governed by the Statutes and the Ordinances framed under the Act by which they are established. The University Grants Commission conducts periodical review of the functioning of the Universities including financial management, reservation policy etc. Whenever a complaint regarding mismanagement / regulations is received, it is forwarded to the University concerned for appropriate action at their end or for providing factual position in the matter, as the case may be. Further, the Accounts of the Universities which are funded by the Government are subject to audit and in the case of Central Universities, the accounts are audited by the Comptroller and Auditor General (C&AG) of India every year and the Annual Accounts are tabled in both houses of the Parliament.
